Hats

Just a reminder to please ensure your child has a named hat, suitable to the changing weather.

Important dates

Matariki evening:

When: Wed 15th July

Bring dinner for your whanau and come and spend some time with us as we celebrate Matariki and coming together as a whole.

Te Reo for the month:

Tokena- socks

Potae- hat

Hiripa- slippers

Kamuputu- gumboots

Wow the year sure is speeding on by.. we are now in the thick of winter and it sure has been wet and cold! Just a reminder to bring wet weather gear if you have it as we are an all weather centre, meaning even if it is wet we will gear up and head outside! We now have containers labelled in the rooms for boots/shoes and jackets. Please when you drop off your children, help them to put their belongings away. This will also be where you collect their things at the end of the day. We are happy for you to leave it here if not needed at home. Please ensure your baskets are not overflowing so the teachers can fit your child's belongings in, and also easily get things out 😊

Staffing:

We have had Courtney leave us for her maternity leave- we will update you once baby is born!!

We now have Bex working in the young babies room alongside myself (Hannah) and Rachel has joined Heather in the older room.

As of next week we have Mallory (Mal) joining us as a reliever as well as Brodie who will continue to work here. We will keep you updated on the permanent staff information 😊

Little babies

Kia Ora friends and Whanau

We are excited to have had Bex join our team on this side, she is having a great time with the little ones and they are loving their time with her!

This month we have started our new focus “Exploring through our senses” which is really exciting! Now that our friends are well and truly settled back here with us, its time to start challenging ourselves and seeing what we can explore!

You will see lots of outdoor play, painting, climbing equipment, bubbles, and much more!

We look forward to sharing all of these adventures with you on storypark!

We have now made a journal basket which is labelled and sitting on the bench as you walk in the door. We ask that you place your child’s journal in here at drop off and collect it at the end of the day (if you wish to take it home). This way we can easily see who has a journal to be filled out- thank you!

From Hannah & Bex

Older babies/ toddlers

Kia Ora Whanau,

I am really enjoying my time at Rewi street so far and have been loving getting to know you and your children, thank you for all your warm welcomes!

This month we say a big welcome to Harper and her whanau and we farewell Ivy, as she transitions to our Alexandra street centre.

Our tamariki love being outdoors, rain or shine, inspecting our gardens, plants, sandpit and running around with each other. Just a reminder to make sure your child has spare pants if they don't have a full rain gear set.

We are also excited to start exploring our senses more. We all love getting messy here, so are looking forward to introducing some new textures and smells to explore and seeing the science behind making playdough and mixing paints.

We will continue to share all our adventures with you on Storypark and through the daily journals!

From Rachel and Heather
